Hey Daryn

Got a lovely call from Gloria this morning checking up on our awa whānau along the river road.

Had a good catch-up and I said we will keep her, Danny & Lu in the loop with the Tindall Foundation visit.

Also mentioned call from MIE about marae resilience & intended funding for solar panel installation – to be available for application at the end of this month. Could also power-up papakainga homes too!

Thanks Gloria for the call!
