YEAR 9 ANNUAL REPORT – NOV 2025-OCT 2026

Our annual report has been compiled to provide a visual overview of the 2025/ 2026 financial year. The images show through key collaborative partnerships and nurtured relationships the successful delivery of community-led initiatives and activities along the Whanganui River Road. TCLD Trust & TCLT Operations are always thankful for the generous contributions and resourcing to support and uplift our awa whānau and people.

From: Heemi Stevenson
Subject: RE: T.C.L.T - Economic & Environmental Hub Ātene
Date: 1 December 2025 at 5:04 PM
To: Daryn Te Uamairangi (TCLT), Ramari Te Uamairangi (TCLT)
Cc: Nihi Houia

Tenā kōrua,

Following our visit to Ātene to view the site, I have struggled with obtaining a cadastral plan from either WDC or LINZ, this required to position the buildings, infrastructure, parking etc (as well as future development). I will keep pursuing and try a contact I have at Valuation NZ, long shot but worth a try. This is required to undertake the feasibility stage (FS) as outlined below.

In the meantime, I will put together a word.doc template that you could complete for me to progress the environmental & economic hub building, planning phase, I will get these through in the next few days, but this will keep the process moving.

December is pretty much booked out for us between now and the 19th December (our last day) with mainly existing programmed MOE projects. If you are ok with the preliminary work in the interim until mid January (we re-open 12th Jan) then we can get stuck in, that would be appreciated, just a bottle neck of work which is typical for the industry at the end of year.

Nga mihi
Heemi

Heemi – "E" Hub update 1 Dec

Ramari – CME cables for mobile generator 2 Dec

Daryn – Keria & Titara at TPK Whanganui office 2 Dec

Nihi – WCF trustees (Kathy, Hinemoa, Mary & Rach) visit to MPR 4 Dec
